

# MAXPRO<sup>®</sup> CLOUD AT-A-GLANCE

MAXimize Revenues  
MAXimize Installations  
MAXimize Performance

Cloud-based integrated access control  
and video surveillance.

A nighttime photograph of a city skyline, featuring several tall skyscrapers with their windows illuminated. The sky is a deep blue with some light clouds. In the foreground, there are lower buildings, including a large white building with a flat roof and a parking lot. The overall scene is a vibrant urban landscape at night.

## MAXPRO® Cloud | Anytime, Anywhere

### MULTI-SITE AWARENESS

Monitor, manage and control  
multi-site locations from anywhere.

Global access management from  
a single user interface.

Real-time alerts of alarms and  
events across locations.

Remote management, visibility  
and administration.

### PROTECT YOUR INVESTMENT

Cloud based software ensures  
your security system is always  
up to date.

Scalable, flexible, and futureproof, system  
grows as your business needs grow.

No software to maintain, automatic  
feature and security updates.

A consistent user experience while  
taking advantage of newer site technology.

# MAXPRO® CLOUD INTEGRATED SOFTWARE AS A SERVICE

MAXPRO Cloud is a fully integrated access and video Security as a  
Service platform hosted in Microsoft Azure.

MAXPRO Cloud makes single or multi-site building security **simple,**  
**flexible and scalable.** Users can manage their security system from  
**anywhere at anytime** via a standard **web browser** or via a **fully**  
**integrated app.**

Remote configuration, management and operation of sites, devices,  
schedules and users **streamlines efficiencies** while reducing operational  
costs across multi-site deployments. Plug and play devices, no servers or  
software to maintain and remote firmware management makes installation  
and maintenance **efficient, cost- effective and secure.**

## TARGET MARKETS

MAXPRO Cloud is used by many types of small, medium and enterprise level businesses and organizations, allowing customers to remotely manage and control multi-site systems from anywhere with single sign-on access.

Retail

Property Management

Franchises

Commercial Offices

Remote Facilities

Schools and Campuses

Warehouses

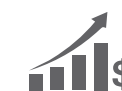

Multi-Tenant

### Typical Customer

- Multi-location, local, national and global
- Remote management of facilities
- Multi-facility access management

### Customer Value

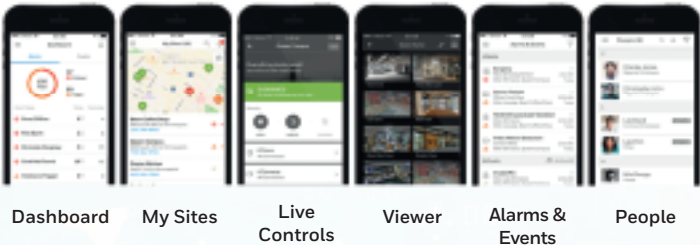

- Multi-location integrated security through a single user login to all sites
- Global access management improving security and reducing administration time
- Improved awareness with real time event and alarm notifications to act quickly
- Remote site monitoring, management and control improving efficiency
- Off-site cloud storage for piece of mind
- Automatic cloud feature updates and remote firmware management future-proofing your investment
- No software or servers to maintain reducing downtime and total cost of ownership

# INTRODUCING MAXPRO® CLOUD

## | Where Smart Security Meets Business Insight

- MAXPRO® Cloud is a Honeywell cloud-based integrated connected building platform designed for Small to Medium Enterprise business customers. It delivers real-time access control and video surveillance to any mobile device connecting customers to their buildings and enabling a user to make informed business decisions. *Anytime. Anywhere.*
- It's more than just a security system, MAXPRO® Cloud is a dynamic business tool that provides actionable insights you can use to improve service and drive down costs.

## THE POWER OF CLOUD

**ENHANCED  
OPERATIONAL  
EFFICIENCY**

**IMPROVED  
SAFETY &  
SECURITY**

**REDUCED COSTS,  
GREATER VALUE**

**INCREASED  
FLEXIBILITY AND  
SCALABILITY**

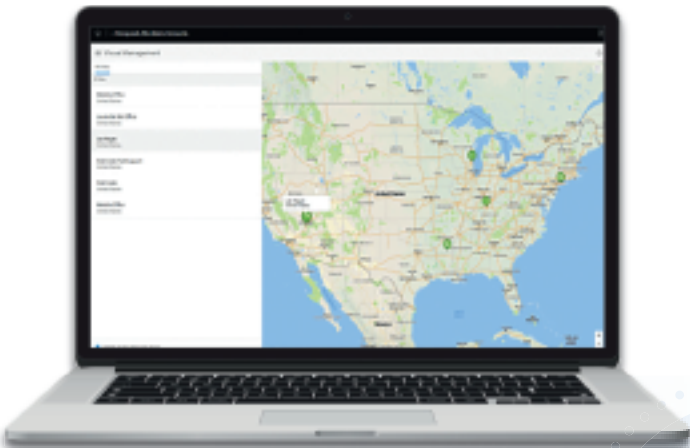

**ANYWHERE,  
ANYTIME  
ACCESS**

**A BRAND  
YOU CAN  
TRUST**

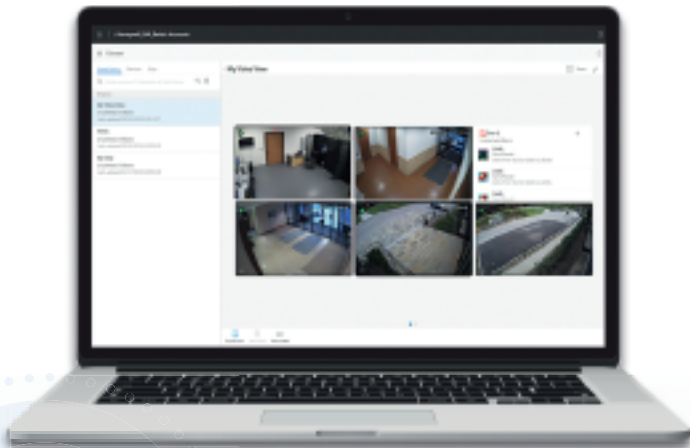

# MULTI-SITE INTEGRATED SECURITY FROM A SINGLE INTUITIVE USER INTERFACE

**1**

Geo locational map-based monitoring, management and control across multi-site locations.

**2**

Improved visibility, safety and security with multisite viewer for video and access.

**3**

Global user access management improving site security.

**4**

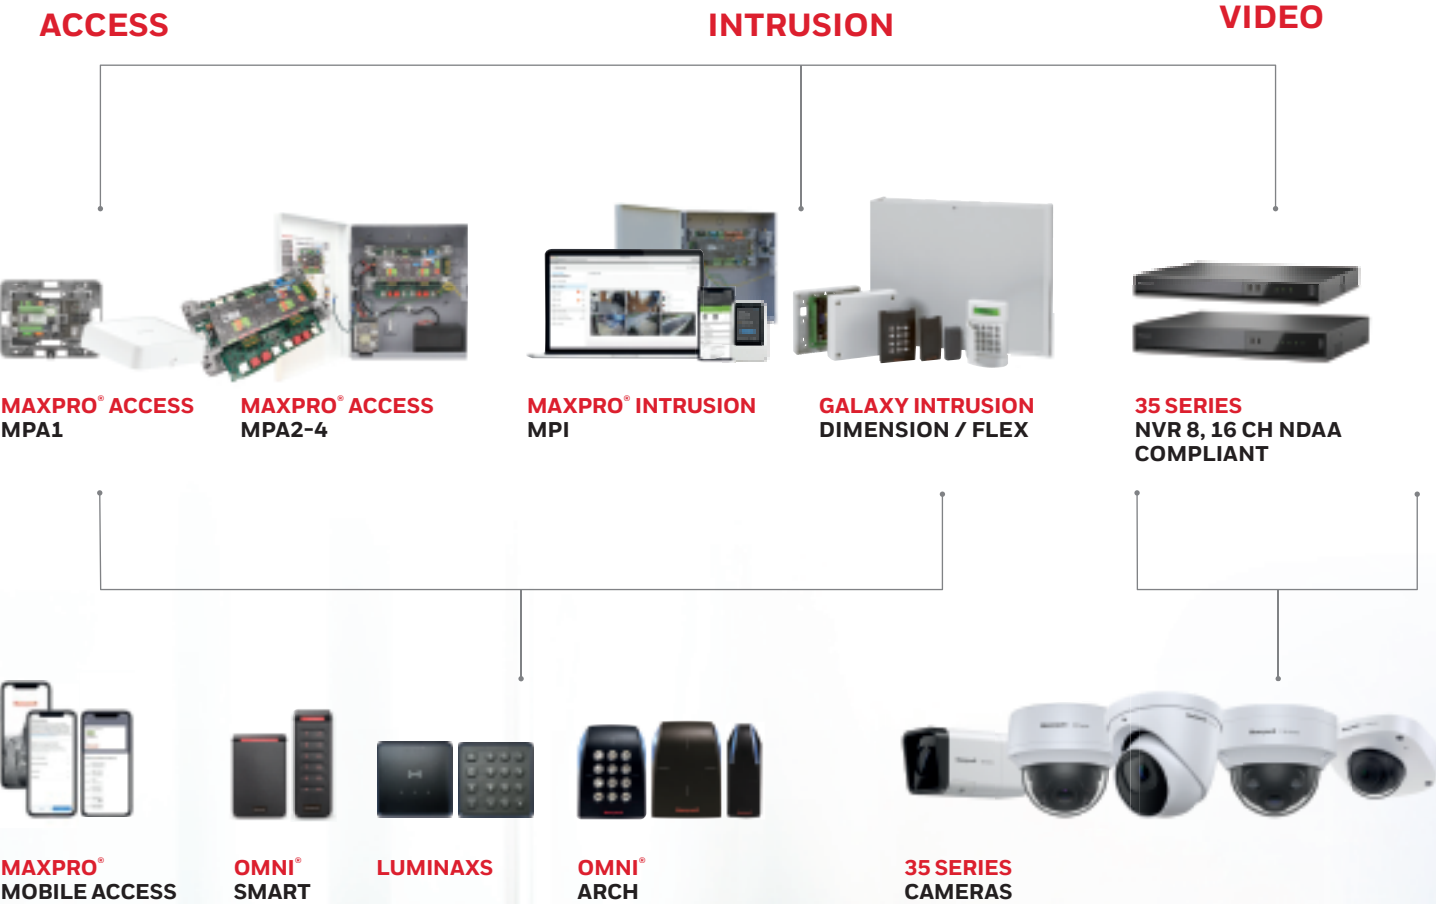

Visual site management and control. Dynamic Icons for video, doors and alarms. (Lock and unlock doors).

MAXPRO  
CLOUD

Plug and play - simplicity of installation.  
Saving time and cost.
